We at EPSCO International & Companies, Inc. are proud to announce that effective July 1, 2011, we have been selected as the Crane-PSI Master Distributor for the West Region of the United States of America. As a Master Distributor, EPSCO International & Companies, Inc. has increased its inventory levels of Crane-PSI products to support short lead time requirements and product availability to Crane-PSI distributors. This new relationship provides Crane-PSI distributors the opportunity to better service their "end user customer" with quick product availability and delivery.

EPSCO International & Companies, Inc. has a reputation for efficiency & commitment to servicing the non-metallic corrosion resistant needs of our industry partners since 1962. We look forward to our new role and commitment to Crane-PSI distributors as their new

Master Distributor for the West Region of the United States of America.

Marc M. Favre
President, EPSCO International & Companies, Inc.

“Our partnership with EPSCO will significantly improve product availability and provide better service to our final customers.”

Johnnie Davis
Crane P&F Business Manager

“EPSCO has been a valued supplier to PPG Industries for years and was awarded an Excellent Supplier by PPG in 2005. This Master Distributor Agreement between Crane and EPSCO can only add to the value of EPSCO in the market place. “

Bill Schwarzauer
Senior Sourcing Agent PPG Industries, Lake Charles
